Dive With Big Sharks in the Bahamas

Half & Full Day Cage Diving Adventures in Beautiful Bimini

Spend an incredible day cage diving with big sharks, in the crystal clear waters of the Bahamas. The Bahamas is one of the best places in the world to see and photograph big sharks in the wild. See bull sharks, hammerhead sharks, tiger sharks, reef sharks, nurse sharks and more.

No dive certification is required. Our Bahamas shark adventures feature the use of a floating shark cage and surface-supplied air. Located just 53 miles east of Miami, Bimini is a tropical paradise and an ocean-lovers dream. Dive with sharks then swim with wild dolphins, stingrays or loggerhead turtles.

Our half and full-day “shark safaris” depart from Neal Watson’s Bimini Scuba Center at the Bimini Big Game Club Resort and Marina. The resort is located on North Bimini in Alice Town.

Travel Notes

Bimini actually consists of two small islands: South Bimini and North Bimini. Our shark expeditions depart from Bimini Big Game Resort and Marina on North Bimini. You can fly into Bimini Airport (BIM) on South Bimini and take a water taxi to the marina, or you can arrive at the resort via boat, seaplane or helicopter. We highly recommend a scenic seaplane flight from Florida aboard Tropic Airways. It's possible to fly from Florida in the morning, shark dive and return to Florida by evening.
